From bestselling author Mike Omer comes the first in a new series full of the psychological twists and police procedural turns that his fans have come to know and love.

Lieutenant Abby Mullen is no stranger to crisis. As the hostage negotiation instructor for the NYPD, she deals with worst-case scenarios every day. Nothing fazes her anymore.

That all changes when she gets a call from Eden Fletcher, a fellow survivor of the infamous Wilcox cult. The two haven't spoken since the night of a tragic, fiery massacre, when their paths diverged. But now Eden needs Abby's help: someone has kidnapped her son and is demanding a \$5 million ransom. As Abby throws herself into the case, she can't help but wonder why the kidnapper has targeted Eden. But Eden refuses to talk. She's silent about the relics of their shared past hanging on her walls. About the kidnapper's possible motives. About what's happened in the years since she and Abby parted ways.

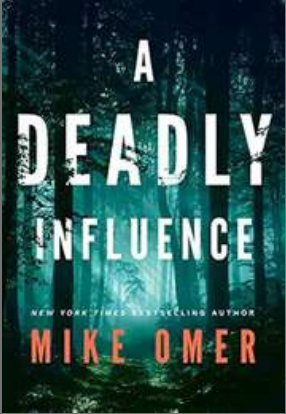

As the truth closes in, Abby realizes that her past may not be as far behind as she thought...and it's come home to collect.

PLEASE TELL ME

After a year in captivity, a kidnapped child escapes – only to reveal horrific truths that lead her psychologist on a race against time in this thriller from New York Times bestselling author Mike Omer.

When eight-year-old Kathy Stone turns up on the side of the road a year after her abduction, the world awaits her harrowing story. But Kathy doesn't say a word. Traumatized by her ordeal, she doesn't speak at all, not even to her own parents.

Child therapist Robin Hart is the only one who's had success connecting with the girl. Robin has been using play therapy to help Kathy process her memories. But as their work continues, Kathy's playtime takes a grim turn: a doll stabs another doll, a tiny figurine is chained to a plastic toy couch. All of these horrifying moments, enacted within a Victorian doll house. Every session, another toy dies. But the most disturbing detail? Kathy seems to be playacting real unsolved murders.

Soon Robin wonders if Kathy not only holds the key to the murders of the past but if she knows something about the murders of the future. Can Robin unlock the secrets in Kathy's brain and stop a serial killer before he strikes again? Or is Robin's work with Kathy putting her in the killer's sights?

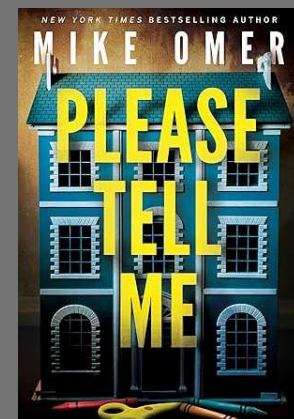

Omer weaves suspense and mystery, culminating in jaw-dropping twists.

BEHIND YOU

In this gripping thriller from New York Times bestselling author Mike Omer, a woman who fled home with a dark secret must now flee the strangers who seem to know it – and the stalker behind it all.

Seventeen-year-old Theodora Briggs left home in the dead of night, after a brutal crime shattered her life. Thirteen years later, she's made a name for herself as Gemma: beautician, wife, and mother. But the trauma still lingers... And then one day, it's more than just a phantom pain.

Gemma is suddenly accosted by stranger after stranger, all of whom seem to know the truth about her. They confront her with her real name and ominous allusions to the tragedy that drove her out of town. When her family begins to have their own strange episodes, Gemma is rattled. There's no one left to trust but herself – except Gemma can't even remember what happened that night. Accusations and danger lurk around every corner, and Gemma's not sure where to turn. But if she can't put together the pieces of her past, the new life she's built might disappear just as quickly – and violently – as her old one.

Dark Fae FBI Series

Urban Fantasy | Mystery & Detective |
Thriller & Suspense | Fantasy Romance

AGENT OF ENCHANTMENT. BOOK 1

The fae live among us. And one of them is a serial killer.

I thought this would be a simple profiling case. Just another Jack-the-Ripper wannabe, prowling London's streets, searching for easy kills. I was wrong.

This killer is fae, and he's as elusive as smoke on the wind. But I'm an FBI profiler, and it's my job to track him down. It doesn't matter that one of the main suspects – a lethally alluring fae – is trying to seduce me... or kill me, I'm not sure which.

I won't be stopped, not even when panic roils through the streets of London, or when the police start to suspect me. As I close in on the killer, I follow him to a magical shadow realm that's like nothing I ever expected, where I'm hunted like prey. Fine. Bring it on. I'm an FBI Agent. And it turns out I have magical powers of my own.

"The storytelling has one of those TV shows that are based on FBI profilers feels to it with a definite supernatural twist."

STOLEN SOUL. BOOK 1

They say no man can rob a dragon. Good thing I'm not a man.

There's an underground magical vault, protected by sorcery, security cameras, guards and whatnot. Think of the most impenetrable place in the world. Now triple it. Here comes the bad news. It belongs to a dragon, and I was hired to break into it and steal his hoard. Suicidal? Insane? Maybe, but... actually, there's no but. It's suicidal and insane. Still, fortune favors the bold. Let's hope fortune has a good disposition toward the crazy as well. I might be an alchemist extraordinaire, and the best burglar on the East Coast, but this is not a solo job. I'll need a team for this one.

Accompanied by a powerful sorcerer, a fortune teller, a scam artist, and a hacker, I embark on the heist of the century. If we succeed, we'll be legends. If not – crispy dragon snacks.

SLEEPLESS. BOOK 1

Don't fall asleep. Don't dream. Don't get caught.

Amy knew she'd hate Narrowdale, a boring suburban town. How could it possibly compare to L.A., where she lived her entire life? Being a high school freshman in a new place made things even worse.

And that was before she started having the same nightmare over and over again. Before she woke up every night to a shrill whistle outside her window. Before she met a homeless man who seemed to know way too much.

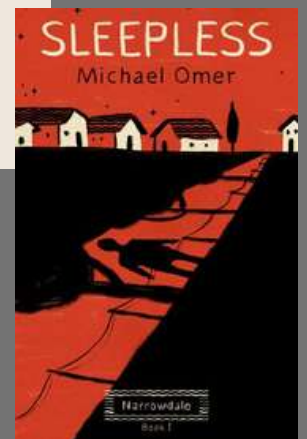

Some things seem to happen only in Narrowdale, where dark secrets are hiding beneath the surface...
